PROFESSIONAL SUMMARY

Frontend Developer skilled in HTML5, CSS3, and JavaScript, with experience building responsive interfaces and reusable UI components. Holds a B.E. in Electronics and Telecommunication Engineering. Eager to contribute to user-focused web products as a Frontend Developer.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), HTML5, CSS3
Core Skills: Responsive Design, Reusable UI Components, Cross-Browser Compatibility
Tools: Git, GitHub, VS Code

EXPERIENCE

Web Development Intern **Jan 2025 – Mar 2025**
CodTech IT Solutions

- Developed responsive web pages using HTML5, CSS3, and JavaScript, ensuring layouts adapt to desktop and mobile screens.
- Built clean, user-friendly interfaces with a focus on usability and consistent visual design.
- Collaborated using Git and GitHub for version control and project management.

PROJECTS

TriPlan: Trip Planning Web Application
HTML, CSS, JavaScript | Live demo | GitHub

- Built a multi-page trip planning app that organizes trip dates, travelers, and daily activities in one workspace.
- Developed budget and expense tracking features that show spending against the remaining trip budget.
- Built responsive layouts and reusable UI components for trip creation, activity planning, and itinerary views across desktop and mobile.

KeySprint: Typing Practice Web Application
HTML, CSS, JavaScript | Live demo | GitHub

- Integrated multiple pages, including login, registration, and the main practice area, into one connected user flow.
- Added graphical progress tracking to visualize typing performance and improvement over time.
- Designed a clean, responsive interface for practicing and improving typing speed.

EDUCATION

Bachelor of Engineering (B.E.) in Electronics and Telecommunication Engineering **2026**
Sinhgad College of Engineering, Pune
